From the President, District Board, South Canara, dated Mangalore, 7th February 1896, End. on C. No. 1649-D.B. of 1895.

ABSTRACT.—Reporting that the statement forwarded with G.O. Mis. No. 2124 L, dated 7th November 1895, has been verified and found correct.

From G. STOKES, Esq., President, District Board, Tanjore, to the Chief Secretary to Government, dated Vallam, 20th February 1896, Dis. No. 120-D.B.

With reference to G.O., Mis. No. 2124 L., dated 7th November 1895, referring, for verification and report, extract from the list of local fund estimates scrutinized by the Public Works Department for the quarter ending 30th September 1895, I have the honour to state that the claim of that department for scrutiny charges for item No. 4, viz., forming a road over the Vellappaur right bank, is correct and should be accepted.

2. As for item No. 3, viz., forming the left bank of the Mudicondanar into a road, the estimate was neither framed at the instance of the President of the taluk board nor was it sanctioned by that board when it came before it in November 1895. The claim for scrutiny charges in this case should not therefore be admitted.

ORDER—No. 505 L., dated 14th March 1896.

The statement received from the Public Works Department will be forwarded to the Accountant-General, with the request that he will make the necessary adjustment in the accounts, in communication with the Examiner of Public Works Accounts, in regard to the contribution payable to the Public Works Department for the scrutiny of the estimates for the first and third works.

2. Paragraph 2 of the letter from the President, District Board, Tanjore, read above, objecting to the payment of the contribution claimed in the second case, will be referred to the Public Works Department for remarks.
