

Public Works (1896) Department.

G.O., No. 1245W

DATED 9/4/96.

[Despatch Abstract.]

Provincial Civil Works Budget—  
Directing that certain items of works  
in the Cency Architecture entered in  
the preliminary issue of the  
for 1896-97 be omitted from the final budget.

No. 1245 W., 9TH APRIL 1896.

GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper:—

From Lieutenant-Colonel C. C. RAWSON, R.E., in Charge Consulting Architect Division, to the Chief Engineer, Public Works Department, dated Chepâk, 27th March 1896, No. 5236.

27th March 1896, No. 5236.

With my letter No. 4698, dated the 20th March 1896, I submitted a statement regarding the items for which estimates were due under Part I, class A works in the preliminary issue of the Provincial budget of 1896-97. I now submit a similar statement for class B works of the same budget estimate, from which it will be seen that items 2, 25, 34, 37, 43, 44 and 45 may be omitted from the final issue of the budget estimate.

ENCLOSURE.

*Part I, Class B Works.*

PRELIMINARY ISSUE of the Budget Estimate for Original Works under Provincial services for 1896-97.

| Item No. | Project and Works.                                                                                 | Remarks.                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|----------|----------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2        | Verandah for the Emigrant department in front of Old Port Office attached to the Sea Custom House. | Reported in this office No. 4984, dated 16th March 1896, as not required.                                                                                                                                                                                                                                                                                                                                                                              |
| 24       | Removing and reconstructing tower and improving facade of the Presidency College.                  | An estimate amounting to Rs. 20,950 was submitted with this office No. 2863, dated 12th December 1892—see G.O. No. 269 W. dated 4th February 1893.                                                                                                                                                                                                                                                                                                     |
| 25       | Constructing a building for the Industrial school on the premises known as Gras-mere.              | Plans and estimates amounting to Rs. 25,620 sent to the Honorary Secretary, Madras Industrial school, with this office No. 1376, dated 29th July 1892. A scheme is under consideration for the amalgamation of the Female branch of the Civil Orphan Asylum with the Military Female Orphan Asylum and the removal of the Industrial school to the place vacated by the girls of the Civil Orphan Asylum—see G.O. No. 303 W., dated 6th February 1895. |

Preliminary Issue of the Budget Estimate for Original Works under Provincial Services  
for 1896-97—cont.

| Item No. | Project and works.                                                                                                                       | Remarks.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|----------|------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 32       | Upper storey to the Penitentiary                                                                                                         | Inspector-General of Prisons states in his No. 541, dated 15th March 1896, to this office that there is no immediate prospect of their being further pressed as the provision of additional cellular accommodation in other Central Jails is now urgent.                                                                                                                                                                                                                     |
| 33       | Extending No. 11 block of the upper storey of the Penitentiary.                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 34       | Iron-railed partition wall between office work-yard and prison enclosure.                                                                | Inspector-General of Prisons reports in his letter above quoted that this work is not now required.                                                                                                                                                                                                                                                                                                                                                                          |
| 35       | Hospital Assistant's quarters, Civil Jail.                                                                                               | Plan and estimate amounting to Rs. 2,654 sent to the Inspector-General of Jails with this office No. 3537, dated 5th December 1895.                                                                                                                                                                                                                                                                                                                                          |
| 37       | Contagious diseases ward for women and children at the General Hospital.                                                                 | The Senior Medical Officer, General Hospital, in his letter No. 1892 of 20th March 1896, states that this work is not now required.                                                                                                                                                                                                                                                                                                                                          |
| 38       | Alterations to the Station Hospital ground and first floor for Women and Children's Hospital at the General Hospital.                    | This work will be taken in hand when the west wing of the Station Hospital is made over.                                                                                                                                                                                                                                                                                                                                                                                     |
| 39       | New building on the roof of the Station Hospital at the General Hospital to provide accommodation for the Women and Children's Hospital. | An approximate estimate amounting to Rs. 85,000 for building a third storey similar to that erected on the west side of the hospital in 1891 was forwarded to the Surgeon-General, with this office No. 3453, dated 28th November 1895, which includes the Nursing Institute referred to in G.O. No. 1525 W., dated 21st June 1895. G.O. No. 264, dated 20th February 1896, Public Department, received with No. 1640 C., dated 23rd March 1896, did not sanction this work. |
| 40       | Steward's quarters over the out-patients' department at the General Hospital.                                                            | It was since proposed to build the Steward's quarters with other quarters for the General Hospital in the vacant ground on the opposite side of the road—see this office letter No. 4622, dated 25th February 1896.                                                                                                                                                                                                                                                          |
| 41       | Jail pattern Cooking range, Lunatic Asylum.                                                                                              | Will be included in the estimate for additions referred to in G.O. No. 2215 W., dated 5th September 1895.                                                                                                                                                                                                                                                                                                                                                                    |
| 42       | Artificially heated room for special cases, Lunatic Asylum.                                                                              | Work unnecessary—vide G.O. No. 2215 W., dated 5th September 1895.                                                                                                                                                                                                                                                                                                                                                                                                            |
| 43       | Constructing room for Assistant Professors of the Medical College.                                                                       | Particulars for preparation of plan and estimate awaited from the Principal.                                                                                                                                                                                                                                                                                                                                                                                                 |
| 44       | Extension to the bottle-store sheds at the Medical Stores.                                                                               | The Medical Storekeeper in his letter No. 4046, dated 12th March 1896, reports that these works are not now required on account of reduction of stock, by the order of the Surgeon-General.                                                                                                                                                                                                                                                                                  |
| 45       | Providing bottle-stands for the Medical Stores.                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 46       | Hospital Assistant's quarters at the Women and Children's Hospital.                                                                      | The Women and Children's Hospital is now removed into the General Hospital. Site for quarters not settled. | +34      | Iron railed partition wall between Office workyard and prison enclosure                       | Inspector General of Prisons reports in his letter above quoted that this work is not now required.                                                                                                                                                                                                                                                                                                                                                   |
| 35       | Hospital Assistants quarters Civil Jail                                                       | Plan and Estimate amounting to Rs 2654 sent to the Inspector General of Jails with this Office No 3537 dated 5 <sup>th</sup> December 1895                                                                                                                                                                                                                                                                                                            |
| +37      | Contagious diseases ward for women & children at the General Hospital                         | The Senior Medical Officer General Hospital in his letter No 1892 of 20 <sup>th</sup> March 1896 states that this work is not now required.                                                                                                                                                                                                                                                                                                           |

38 Alterations to the Station Hospital ground & first floor for women & childrens Hospital at the General Hospital.

39 New building on the roof of the Station Hospital at the General Hospital to provide accommodation for the Women and childrens Hospital.

40 Stewards Quarters over the Outpatients' Department at the General Hospital.

41 Jail pattern cooking range Lunatic Asylum

42 Artificially heated room for special cases Lunatic Asylum.

43 Constructing room for Assistant Professors of the Medical College.

44 Extension to the Bottle Store Sheds at the Medical Stores.

45 Providing bottle stands for the Medical Stores.

46 Hospital apartments quarters at the Women and Childrens Hospital.

47 Upper Storey to the European Female ward to accommodate native females at the Leprosy Hospital.

48 Erection of kilnundry at Leprosy Hospital.

This work will be taken in hand when the West wing of the Station Hospital is made over.

An approximate Estimate amounting to Rs 85,000 for building a third Storey similar to that erected on the West side of the Hospital in 1891 was forwarded to the Surgeon General with this Office No 3453 of 28<sup>th</sup> November 1895. which included the Nursing Institute referred to in G.O. No 1525 W dated 21<sup>st</sup> June 1895. G.O. No 264 of 20.2.96 Pub. Dept. C. No 1640 of 27.2.3.96 did not sanction this work.

It was since proposed to build the Stewards Quarters with other quarters for the General Hospital in the vacant ground on the opposite side of the Road see this Office letter No 4622 dated 25<sup>th</sup> February 1896.

Will be included in the Estimate for additions referred to in G.O. No 2215 W dated 5<sup>th</sup> September 1895.

43 Particulars for preparation of Plan and Estimate awaited from the <sup>Principal</sup> Superintendent.

Work unnecessary vide G.O. No 2215 W dated 5<sup>th</sup> Sept/95

The Medical Storekeeper in his letter No 4046 of 12<sup>th</sup> March 1896 reports that these works are not now required, on account of reduction of Stock, by the order of the Surgeon General.

The Women and childrens hospital is now removed into the general hospital. Site for quarters not settled see C. No 4622 of 25<sup>th</sup> February 1896.

These works will be taken in hand later on in the year.

No. 5236

From

Henry J. J. J., C. I. C.,

The Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Department

Sir,

Enclosures.

With my letter No. 4698 dated the 20<sup>th</sup> March 1896 I submitted a statement regarding the items for which Estimates were due under Part I class A works in the Preliminary issue of the Provincial Budget of 1896-97. I now submit a similar statement for class B works of the same Budget Estimate from which it will be seen that items, 2, 25, 34, 43, 44 & 45. may be omitted from the final issue of the Budget Estimate.

Already ordered to be omitted  
by G. O. 10624 of 25-3-96

Not brought forward  
by the A. General  
who now considers the  
work unnecessary.

Items 25, 34, 43, 44 & 45 were  
brought forward by the C. A.  
and not by the heads of  
departments concerned.

I have the honor to be,

Sir,

Your most obedient Servant,

Ch. J. J. J.  
21. 3. 96  
Arch. Consulting Architect to Govt.
