READ—the following paper:—

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Offg. Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Calcutta, the 24th March 1896, No. 759 G.:—

It has come to the notice of the Government of India that an Executive Engineer, who was exempted from the operation of the orders noted in the margin, on attaining the age of 50 years, on condition that he continued to perform his duties efficiently, and did not after attaining that age in any way incur the displeasure of Government as evidenced by formal censure, was, subsequent to the orders conditionally exempting him, censured by the Local Government under which he was serving, but was allowed to proceed on furlough by the same authority without the approval of the Government of India.

2. It is considered desirable that in all such cases the application for furlough should be forwarded to the Government of India, together with a statement of the censure passed on the officer and the connected circumstances. I am to request that this procedure may be strictly observed in future.
