Draftsmen

The entertainment for one year of two — on Rs. 50 each per mensem required in connection with the preparation of completion estimates for the Cauvery delta system, sanctioned.

No. 1262 W., 10TH APRIL 1896.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From Lieutenant-Colonel A. W. SMART, R.E., Superintending Engineer on Special duty, to the Chief Engineer for Irrigation, dated Tanjore, 9th March 1896, No. 104.

With reference to your No. V./44 S.A., dated 6th March 1896, I have the honour to state that I appointed the extra draftsman on my own responsibility, as I had only one draftsman and with one it is quite impossible to do the work that has to be done here. I now submit the proposition statement you require.

No. 26 E W.

Forwarded to the Chief Engineer, General, Roads and Buildings Branch, with the request that the establishment applied for be sanctioned.

(Signed) F. J. WILSON,
for Chief Engineer for Irrigation.

19th March 1896.

From Lieutenant-Colonel A. W. SMART, R.E., Superintending Engineer on Special duty, to the Chief Engineer for Irrigation, dated 18th March 1896, No. 140.

I have the honour to state that I find that I require three draftsmen for the work required to be done in my office, and therefore submit a proposition statement which may be substituted for that sent with my letter No. 104, dated 9th March 1896.

2. In case that letter has been already disposed of, I send a separate proposition statement for the extra draftsman I now require for one year.

No. 30 E.W.

Forwarded to the Chief Engineer, General, Roads and Buildings Branch, with the request that sanction may be obtained to the establishment applied for.

(Signed) F. J. WILSON,
for Chief Engineer for Irrigation.

28th March 1896.

Office-note from the Examiner, Public Works Accounts, dated Madras, 1st April 1896, No. 956 D./E.

[Your office-note No. 1710 C., dated 26th March 1896.]

Returned with the remark that the sanction for the entertainment of a draftsman applied for being a fresh one, the column "Present scale" need not be filled in. The establishment hitherto sanctioned was for surveyors and lascars—please see G.O. No. 665 W., dated 22nd February 1896.

ORDER—No. 1262 W., dated 10th April 1896.

The entertainment for one year of two draftsmen on Rs. 50 each per mensem required in connection with the preparation of completion estimates for the Cauvery delta system, is sanctioned.

2. This sanction has been registered as Provincial No. 4 W. of 1896-97, and classified as Establishment—Temporary.

NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the sanctioned scale for the time being and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum plus two-thirds, or if the appointment is a ministerial one, plus three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{5}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{3}{4} - \frac{1}{10} = \frac{11}{10}$$

$$7 \text{ years} = \frac{3}{4} - \frac{2}{10} = \frac{8}{10}$$

$$8 \text{ years} = \frac{3}{4} - \frac{3}{10} = \frac{7}{10}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.
