CHIEF SECRETARY

DEPARTMENT OF MADRAS

The following information is submitted.

- (1) 1,799 cfr of walling with stone bricks had already been built at the time H.C. the Governor gave orders to reduce the height of the compound wall, consequently this quantity of masonry had been demolished.
- (2) The proposed expenditure of Rs 9949 is not in addition to what has been already spent but the amount is for the whole compound wall, less Rs 6622 already sanctioned, the excess being only Rs 3327.
- (3) The actual weight of each iron plate gate is believed to be 1700 lbs. Consequently no details have been furnished.

Items 4 & 5 please turn over

(1) It is the object of building 1799 cubic feet of wall of stone bricks and then plastering it. Vide abstract -

(2) It is proposed to spend Rs 9949 on the wall in addition to what has been already spent. How much would it cost to complete this work according to sanctioned estimate?

(3) There are no details for the 1700 pounds of iron plate to be required for each of four ornamental hammerhead gates.

NOTE BY TECHNICAL SECTION.

Name of work Supplemental estimate
Commemorative Library & connected buildings
amount of estimate Rs 13

With reference to G.O. No. 30 dated 29 January 1896
the Architect to Govt. dated 2nd Supplemental estimate amounting to Rs 13,636 for certain alterations and additions to the Commemorative Library and connected buildings at Madras.

The estimate provides for the following works:-

- (a) Removing & reconstructing the compound wall which has been partially completed, also for 4 ornamental iron gates with masonry culverts for road drains Rs 9,949.
- (b) Providing book cases with shelves between bay windows including ladders & a carved chair for library Rs 2808
- (c) Providing Coat of Arms, flags with poles, drapings, ceiling, tank ladders for Lecture Theatre

B. forward Rs 15,264.
 1) Providing ornamental
 iron grating to a tank bed:
 : due for estimate — 3,581
 intricacies & petty sup. — 1,413
 Total Rs — 20,258

2) deduct amount sanctioned
 for compound wall in G.O.
 No. 818 W dated 28 March 94, 6,622
 Total supplemental estimate Rs 13,636

The above additional works,
 it is stated, have been suggested
 by H.E. the Governor during his
 visit to the building, vide
 app. dated 18 Jan 96
 No. 3954.

The rates as far as can be
 checked are fair. The rate
 of Rs 125 for a tank ladder ap.
 seems very high, no dimensions
 have been furnished for this
 ladder.

(4) The cost of the tower of
 arms flag - 15' x 2' - at 1000
 feet seems very high, and the
 object which they are required
 to fulfil is not apparent.

(5) In details for the ladder
 are given: but as its proposed
 cost is only Rs 125 there is
 a small matter compared
 with the other items several
 of which seem extravagant.

C. 3118
 6.3.96

(4) The cost of arms of arms 10' at
 Rs 100 does appear to be high
 but there are no means of
 checking this. The work will
 be difficult as it has to be
 in ^{conformance} with heraldry.
 The arms of arms 10' have been
 ordered by H.E.

(5) The ladders proposed are
 believed to be telescopic ones.
 Consequently the cost is high.
 The estimate is very vague to
 allow a careful scrutiny.
