Letter from the Executive Engineer,
Nilgore Division, to the Superintending
Engineer, Circle, No 344 S.E. of 18th Dec 95.

I have the honour to forward here
- with for your sanction an estimate,
amounting to Rs. 3073, on account of Com-
- pensation for land taken up for
Kalamakur Tank. The lumpsum provi-
- sion for land and demarcation made
in the Improvement estimate for the
Tank sanctioned in No 2618, dated
16th March, 1892, was only Rs 4000, and
the work was included in the Comple-
- tion statement for February 1895.
Since this large amount under Com-
- pensation was paid by the Rev:
Department during 1895-'96, I request
that early sanction may be accord-
- ed to the estimate now submitted.
