Sir,

With reference to the revised scale of rewards for passing examinations in Hindustani by the Higher and Lower Standards published in Circular No. 1^x Public Works, dated the 17th January 1896, I am directed to inform you ~~that~~ it is considered that a similar modification will be necessary in the reward for passing in the language of the district in which the officer is stationed subject to any general or special order of the Local Government as to what should be considered the second language, referred to in Public Works Department Code Volume I, Chapter II, paragraph 43, which has hitherto followed the rewards in Hindustani.

I am to enquire whether His Excellency the Governor agrees in this view or whether before the rules are modified His Excellency has any objection to urge.

I have the honour to be,
