AGENT AND MANAGER'S OFFICE,

Madras, 28th January 1896

From

The Agent and Manager.

M. R. Co.

To

The Consulting Engineer for Railways.

Madras.

SIR,

I have the honour to forward herewith an Estimate, with plan N^o 3612, for alterations and additions to station house at Podanur and to request that the sanction of Government may be conveyed to me for the required outlay, Rs. 16,666, chargeable in the proportion of Rs. 16,563 to Capital and Rs. 103/- to Revenue.

2. The necessity for a more commodious third class waiting room has long been felt and it is proposed to place the new room at the east end of the platform and to take advantage of the change to provide in the old building for a second class refreshment room, as difficulties have arisen with soldiers passing through the station having

no special room to go to. The numbers of passengers dealt with at Podanur during the last 7 years are as follows :-

1888	222,025
1889	226,837
1890	218,903
1891	213,624
1892	264,536
1893	273,870
1894	284,816

3. The matter was discussed at a Meeting of Officers held in my Office on the 8th August 1895 and was approved.

4. Information as to provision in the Budget and date on which sanction will lapse is given on the Estimate.

I have the honour to be,
Sir,

Your most obedient servant,

Amie S M S
Agent & Manager.

EXAMINER'S REPLY.

The estimate is correct as to
allocation and requires the sanction
of the Local Government.

Funds are available from the
grant for unsanctioned works,
Schedule B of Budget 1895-96.

The necessity for the extension
of the 3rd class shed at
Podumur and the conse-
quent separate provision
for a 2nd class refreshment
room is recognized &
approved - The estimate
is sanctioned subject to
the necessity the foregoing
approval

d. This was probably
discussed on instruction. Please note
I think this a necessary work. The 3rd class waiting room as it exists is quite inadequate - The 2nd class R.R. is a much better one than the 3rd class one.
