

Public Works (1896) Department.

G.O., No. 1596W

DATED 27 May 1896.

[Despatch Abstract.]

Quarters for certain Medical Subordinates.
Proo: Public Dept. refusing to sanction the
construction of the proposed — attached
to the Voluntary General Hospital, but
intimating that compensation will be
paid in lieu of quarters, Contd to the
Consq: Architect.

28 MAY. 96

C.A. to Gould with plans for the 3rd year

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—again the following papers:—

G.O., No. 865, Public, dated 14th November 1894.

ABSTRACT.—Passing orders as to the scale of accommodation to be provided for hospital assistants in Civil employ and the amount of compensation in lieu of it.

G.O., No. 895, Public, dated 29th October 1895.

ABSTRACT.—Informing the Surgeon-General that it is inadvisable to exceed the limit of 200 yards already fixed in regard to the distance between the hospital assistants' quarters and the scene of their work, and that no rent can be granted for private quarters occupied by hospital assistants beyond that limit.

READ—also the following papers:—

From HENRY IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 21st January 1896, No. 4021.

I have the honour to state that a requisition has been received for the construction of two hospital assistants' quarters for the Voluntary Venereal Hospital situated in Black Town. As there is no space within the grounds of the hospital for the quarters, two vacant sites have been selected in the vicinity in communication with the Superintendent of the hospital, as shown in the accompanying plan; either of these coloured red and yellow will answer for both quarters. The area required will be about 3,700 square feet; and the Deputy Collector reports that the value of the land may be taken at Rs. 2,000 per ground of 2,400 square feet, according to which the quarters will cost as follows:—

	RS.
Two quarters as per standard plan sanctioned in G.O., No. 1796 W., dated 19th July 1895, at Rs. 2,700	5,400
Site = 3,700 square feet at Rs. 2,000 per 2,400 square feet	3,084
Total	8,484

The sanction of Government is required for the acquisition of the land and preparation of the necessary plans and estimates.

No. 460 C.

Referred to the Public Department for favour of early orders on the last paragraph of the Consulting Architect's letter.

(Signed) D. McNEIL CAMPBELL, Lieut.-Col., R.E.,
28th January 1896. Joint Secy. to Govt., Public Works Dept.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 31st March 1896, No. 263.

With reference to your memorandum, No. 269, dated the 4th February 1896, I have the honour to return the original papers received with it.

2. No quarters are available in Black Town nearer the Voluntary Venereal Hospital than the distances given in G.O., No. 895, Public, dated the 29th October 1895.

3. With reference to paragraph 2, it would appear to be better to grant these men compensation than to build their quarters at a cost of Rs. 9,000. The senior now pays Rs. 9 and the junior Rs. 11 a month for the quarters they occupy.

4. It is not under contemplation to move the present Voluntary Venereal Hospital from the site in Popham's Broadway. It would be nearly impossible to get a more convenient and suitable site for the class of patients who are treated in this institution.

ORDER—No. 497, Public, dated 29th April 1896.

The Government is not prepared to sanction the construction of the proposed quarters for the medical subordinates attached to the Voluntary Venereal Hospital. Compensation in lieu of quarters will, however, be paid to them at the rates fixed in paragraph 2 of G.O., No. 865, Public, dated 14th November 1894.
