CHIEF SECRETARIAT. MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Registrar of the High Court of Judicature, Appellate Side, Madras, No.1640. dated 28th April 1896.

I am directed to request that H.E. the Governor in Council will be pleased to samction the preparation of estimates by the Public Works Department for repairs to the roofing of the Court house of the District Munsiff at Bapatla in the Kistna District.

2. The Court was repaired during the recess of 1895, but the repairs did not afford protection either to the officials or to the records, as the leakage of the roof was very heavy during the late monsoon. The District Judge says that the leakage is due tothe use of the tiles made of inferi or earth and that the Executive Engineer is not prepared to defend the work done by his department as satisfactory. The High Court is of opjinion that the repairs are necessary and urgent, and, if possible, should be carried out beforre the monsoons this year.

ORDER.No.853. Dated 11th May 1896.

The Public Works Department will be requested to issue

b issue the necessary instructions for the preparation of plans and estimates for the work in question.

2. The attention of the Public Works Department will be called to the concluding portion of the Registrar's letter

(True Extract)
