Letter from the Engr Engineer, Nellore
 D^y to the Supg Engineer, 2^d Circle, dated
 9th May 1894, No 33 P. E.

I have the honour to bring to your
 notice the fact that the Examiner
 has disallowed all pay to Assistant
 Engineer Mr R. V. Arakya Swami
 Moori up to 5th Feb 1896 the date on
 which he joined this Division and
 all his travelling allowance except
 sufficient to cover the journey from
 Madras to Nellore. His reason
 for doing so is he says, that when
 Mr R. V. Arakya Swami Moori was
 gazetted to the 2^d Circle he ought
 to have applied from Madras
 to the Sub Engineer to know to what
 division he was posted. But no
 instructions to that effect were
 given him and he naturally
 proceeded to Bezwada the head
 quarters of the 2^d Circle where he
 reported himself on 17th Jan 1896.
 As it seems reasonable that he
 should be considered to have joined
 his appointment on that date
 I request that you will be so
 good as to obtain sanction for
 his back pay from then and also
 for his travelling expenses from
 Madras

Madras to Bezawada and
from Bezawada to Nellore.

No 103 M
14-5-96

Submitted to the Chief
Engineer P. W. Department, for favour
of obtaining the sanction of Govt.
for the pay of Mr. Anokya Sarani
Asstt Engineer during passage
by the 'Mammas' from the forenoon
of the 17th January 1896 to the 3rd
Feb 1896 and also travelling
allowance from Madras to
Bezawada and from Bezawada
to Nellore.

2. The Asstt Engineer reported
his arrival at my office in Bez-
wada on the 17th January 1896
while I was away from head
quarters, and met me at
Seethanagarani on the night of the
27th, when I gave him further
instructions.

2. A similar concession
was given in the case of Mr.
L. R. Venkatarama Rao, Asstt
Engineer

Engineer - vide G.O. No 2391
d, 22nd Sept 94.

3. If it is considered necessary
that Asstt. Engineers on being posted
to a Circle should apply to the
Supg Engineer for further orders,
it would be as well to issue
instructions through the Principal
of the College; but in many
cases it is desirable that the
men should join at the
head quarters of the Circle
and remain there for some
time. There is no obligation
to post them immediately
to a definite appointment.
