His Excellency the Governor-in-Council

The humble petition of C. Coopersamy Naidero late
Superintendent D.P.W. Aliabad and
Arrest Division;

Most-humbly Shown;

That the petitioner most humbly begs to acknow-
ledge the receipt of L. O. no. 3116 W dated 5th December
1894;

That the petitioner is obliged to lay his miserable case once more before your excellency's Council for its reconsideration, under the following grounds;

That the petitioner has already pointed out in his petition of 9th November 1884 that the order of India Government contained in circular no. ~~30~~ Public Works, dated Simla 18th October 1884 was totally overlooked by not obtaining from the petitioner any explanation or defence for the offence brought under malice against him;

That this most important procedure was not
first of all attended to in the course of the
petitioner's dismissal and that he cannot therefore
understand what other careful enquiries were
made by your excellency's Government into the

Pittsboro N.C.

Circumstances of the petitioner's dismissal.

That as the petitioner is quite sure that the British Government will never be inclined to dispose of a case in as easy way as possible rather than to find out the truth and render justice to the party concerned, the petitioner begs to bring his case once more lastly to the consideration of your excellency's Council and see if justice is not rendered in this Madras Government whether he will get justice at least before the Council of His excellency the Governor General of India in Council.

For which act of kindness the petitioner as in duty bound shall ever pray.
