PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Surgeon-General, Madras, dated 30th April 1896., No.45.Tour.

With reference to the plan and estimate for reconstructing certain covered ways at the Government Maternity Hospital forwarded for sanction with my letter No.96. dated the 10th February 1896, I have the honor to report that the Superintendent informs me "that after further experience in the working of the new wards it is found that a sufficiency of air and light enter the end rooms," and he therefore begs that he may be authorized to request the Consulting Architect to Government not to undertake any alterations. Before I left Madras I inspected the new buildings with the Superintendent and am satisfied that no alterations are required at present.

-----pppppppppp-----
O R D E R. No. 527. Dated 11th May 1896.

The proposed alterations may in the circumstances be dispensed with.
