ORDER—No. 1657 W., dated 3rd June 1896.

In the circumstances stated, the proposal to abolish the separate post of storekeeper in the Buckingham Canal division, and to appoint the present storekeeper to be combined storekeeper and license clerk on Rs. 20 to 30 per mensem is sanctioned. As S. Rajaratnam Mudaliar, the present incumbent of the post, is already in receipt of Rs. 30 per mensem, he will continue to draw that salary which is the maximum of the grade.

2. Attention is drawn to article 164 of the Civil Service Regulations under which Rs. 27½, and not Rs. 25, should have been shown in the proposition statement as the average or fixed pay of the license clerk. The necessary corrections have been made in the statement.

3. This sanction has been registered as Provincial No. 19 W. of 1896-97, and classified as Establishment—Permanent.

Letter from the Engr. Engineer, Buck-

D^o Civil, D^o 1.4.96, No. 4. 1Pm

In consequence of the decease
on 30th ult. of License Clerk
S. Rajaratna Mudar. I have the
honor to inform you that pending
your approval I have instructed
Store Keeper S. Rajaratna Mudar
of this D^o, to look after the License
Clerk's work in addition to his
own duties as Storekeeper of the D^o.
2. As all gates for locks and all
other works for which considerable
quantities of materials have
hitherto been required, are
rapidly approaching completion
a special Storekeeper is no longer
required in the D^o. A saving
will thus be effected by
appointing the present Storekeeper
as License Clerk and by combining
with that post the duties of
Storekeeper also. I recommend
this being done.

3. A proposition statement
showing the change proposed is
herewith sent.
