PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Superintendent of Stationery, Madras, dated 5th May 1896
No 740.

I have the honor to forward herewith a statement showing the particulars of Warm Clothing supplied to the peons to be attached to the different Departments of the Government Secretariat for the current season in pursuance of G.O. No 1004 Pub dated 11th December 1895. The charges do not exceed those fixed in G.O. No 555 Public dated 10th March 1896. The blankets were obtained from the Superintendent Central Jail, Trichinopoly and the cloth for great coats from the Superintendent Army Clothing, Madras. The other articles were obtained locally.

I request that you will be so good as to let me know how the charges are to be met. For the present there being no separate provision for this in my Budget, I have met the expenditure from the amount sanctioned for the purchase of Stationery for Central Stores Imperial.

I think the charges should be debited to the several departments to which the clothing was supplied under "Contingencies".
