PRESIDENCY P. W. WORKSHOPS,

No. 2/52 W.

Madras, 23rd May 1896.

From

E. R. Logan Esq

GENERAL SUPERINTENDENT,
PUBLIC WORKS WORKSHOPS,

To

THE Superintending Engineer,
5th Circle.

SIR,

I have the honor to request that you will kindly forward this my resignation to Government, and to request that they may be pleased to accept the same with one month's notice from this date, 23rd May 1896. I wish to point out that two months privilege leave is due to me, & that I was debarred from taking three months after leaving the Periyar Project as my services were urgently needed down here, and in consequence of this I received only but one month in March. I am anxious to better my prospects by taking a more lucrative appointment, which has just been offered me, as I find my present salary of Rs 350/- totally inadequate to maintain me in Madras. Inclosed are ^{three copies of} Government orders received during my service of nearly six years

years in the Department, and I beg to request that Government may in consequence of my leave having been curtailed graciously grant an order for my early relief + permit me to retire from their service before the expiration of my month's notice.

I have the honor to be,
Sir

Your most obed^t servant

E. R. Logan

General Superintendent, P.W. Works -
Shops + Plant

Please note True copies of G. O.'s were submitted to the Chief Engineer by Supt Eng. & enclose with his letter No. 127. W dated 15th May 1896. & are therefore not enclosed in my letter.
