Office-note from the Examiner, Public Works Accounts, dated 22nd May 1896,
No. 1437 D./A.

Forwarded as requested by the Superintending Engineer, VI Circle.

2. It is presumed the building is not situated on Government land, and that the amount entered in column 8 represents the actual outlay incurred by the State.

3. It is not clear how the average cost of Rs. 197 in column II has been arrived at as, however, it is considerably in excess of 3 per cent. on capital cost as suggested by Code, the figures may be accepted and the data statement approved.

4. The rent to be recovered from the Police Inspector may be limited to 5 per cent. of his salary (*vide* G.O. No. 9 W., dated 6th January 1896).

ORDER—No. 1732 W., dated 10th June 1896.

The data statement, including the proposal in the column of remarks, is approved.

Forwarded as requested by the
Superintending Engineer 6th Circle.

2. It is presumed the building
is not situated on Government land and
that the amount entered in column 8
represents the actual outlay incurred
by the State.

3. It is not clear how the average
cost of Rs.197 in column II has been
arrived at as however it is considerably
in excess of 3 per cent on capital cost
as suggested by Code, the figures may
be accepted and the data statement ap-
proved.

4. The rent to be recovered from
the Police Inspector may be limited to
5 per cent of his salary vide G.O. No.
9 W. dated 6th January 1896.
