PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—letter from the Collector of Trichinopoly, dated 31st March 1896, Dis. No. 566-Rev.

ABSTRACT.—Submitting three lists of the programme of famine-relief works for 1896-97.

RESOLUTION—dated 27th April 1896, No. 76.

The abstract of the programme of famine-relief works for 1896-97, received from the Collector of Trichinopoly, will be submitted for the information of Government.

2. The programme provides for the construction of 48 new irrigation works at a cost of 1.39 lakh and for repairs to existing irrigation works to cost 3.34 lakhs; forest-fencing works at .58 lakh; for the construction of 1,008 miles of new roads to cost 2.97 lakhs and repairs to the old ones, 7.78 lakhs; for works intended to improve the supply of drinking water to cost 2.29 lakhs and other miscellaneous works, 6.23 lakhs. The last item includes a sum of Rs. 1,05,325 to be advanced under the Land Improvement Loans Act. The total provision amounts to Rs. 24,58,661 and the works are estimated to be sufficient to provide employment for three months in a period of distress to nearly 24 per cent. of the total population of the district. The provision made is generally adequate, except in the Musiri and Udaiyarpalaiyam taluks, where it requires amplification.

3. Detailed estimates are stated to be ready for works to cost Rs. 10,61,755 or 43 per cent. of the total provision exclusive of the land improvement works for which no estimates are required.

4. The proportion of the sanctioned to the unsanctioned large works is as 3 to 100. The Collector is requested to report in consultation with the Public Works Department what steps have been taken to give effect to the instructions conveyed in the circular letter from the Government of India communicated with Board's Proceedings, No. 360, dated 6th September 1894.

5. It seems doubtful whether the marginally-noted work can provide much employment for unskilled labourers, such as require relief during a period of distress. If it cannot, it is out of place in the present programme. This work, together with the Kulittalai-Kattuvari project and the raising of the Coleroon left bank in the Udaiyarpalaiyam taluk, which would cost Rs. 8,000 and Rs. 26,000, respectively, has been shown under unsanctioned irrigation works. It should be reported whether they have been investigated and what progress has been made in regard to the preparation of detailed estimates for them. It should also be reported whether the silt clearance works to cost Rs. 63,000 in the Trichinopoly taluk to be executed by the ordinary District Revenue staff and other such works shown in the programme have the approval of the Public Works Department. This information should, in future, be furnished in the remarks column of statement A.

Trichinopoly Taluk.

	Cost. RS.
Construction of a masonry groyne and training wall at Kuttam limits in the Coleroon left bank ...	12,600

6. It is observed that the total number of irrigation works in and out of repair in the district according to the statement B now submitted differs, as noted on the margin, from the corresponding entries in the jamabandi statement No. 15 for fasli 1304. The cause of the variation should be explained.

Irrigation works.	
In repair.	Out of repair.
According to statement B ... 651	491
According to jamabandi statement No. 15 ... 1,745	131

7. The following errors are noticed in the form C :—

(a) The entry in column 3 against Kulittalai should be 48,740 and not 48,470.

(b) The percentage in column 6 against Trichinopoly is entered erroneously as 28.62 instead of 28.59.

(c) The entry of 472 in column 26 against the grand total of the district is a mistake for 482.

The necessary corrections have been made in the statement submitted to this office, and it is hoped that such mistakes will be avoided when future statements are prepared.

(True Extract.)

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department.
" Collector of Trichinopoly.

Exd. Shaik Karim.
