Proceedings of the Board of Revenue (Land Revenue) Dated 22nd April 1896. No. 1880 Mis.

Referred to the Collector of Salem for report.

Read Also the following letter from W. J. H. Le Fanu Esquire, Collector and District Magistrate of Salem to the Secretary to the Commissioners of Land Revenue, Madras d/ 14th April 1896, No 1752.

Adverting to the Board's reference on Government Register No 263, Land Revenue d/ 31st January last, I have the honor to report as follows.

2 In his letter No. 1393/Eng d/ 20th Decr 1895, the Chairman, Municipal Council, Tiruppattur, requests that the old Sub Jail building at Tiruppattur may be handed over to the Municipal Council to be used as the lying-in ward and in his letter No. 1476 d/ 18th December 1895, he requests that the old Taluk Cutcherry building in the above town may be transferred to the Municipal Council to be used as its Office. Regarding the former, the District Medical and Sanitary Officer is of opinion that it might be adapted to the proposed purpose, but that the accommodation afforded is much larger than

will

will be required and the situation is too public, and the distance from the hospital is also a drawback. The proposal to place a lying-in ward for native women in an open space immediately adjoining the road and public offices is preposterous. I am surprised that any Municipal Council should make such a suggestion. The District Forest Officer requests that it may be made over to the Forest Department for storing Sandalwood before sale, and for keeping stores and tools. In the present Forest Range Office there is no room for storing Sandalwood, and if it be retained, considerable expenditure will have to be incurred in building a Sandalwood Store and in general repairs and alterations. The District Forest Officer proposes, therefore, that the Range Office be removed into the old Head Assistant Collector's Office building which has also been vacated, and that the Sub Jail be utilized as the Sandalwood Store. The proposal seems a good one, and would effect a saving to Government. In these circumstances I am not disposed to support the Chairman's application and request that the old Head Assistant Collector's Office along with the Sub Jail be transferred to the Forest Department.

3 As for the old Taluk Cutchery referred to in the other letter of the Chairman, it is, I think too large for the Municipal Office. A portion of the building is already occupied by the Sub Registrar's Office. The Executive Engineer who was consulted states that it is wanted for the Postal and Telegraph Department. The Assistant Commissioner of Salt and Abkari Revenue, wished to have it for the Quarters and Office of the Inspector of Salt and Abkari Revenue, Tiruppattur Range. The Government departments have a preferential claim to these buildings over local bodies. This building, at the corner of the Main Street, would do admirably for the Postal and Telegraph Departments and I suggest that it be made over to them. The Sub-Registrar should have an entirely new Office on the standard plan built near the new Taluk Cutchery where ample space is available.

Sir,

The Executive Engineer, Salem Division, informs me in his letter No. 306 M, dated 12th instant, that he has asked you to obtain the sanction of Government for the transfer of the old Head Assistant Collector's office to the Registration Department for the Sub Registrar's office and the old Taluq Cutcherry to the municipality. I have proposed to the Board of Revenue that the former building along with the old Sub Jail be made over to the Forest Department for the Range office and Sandalwood Store, and that the latter be left for the Post office. I request that you will therefore not make any other recommendations.

Sir,

Enclosures.

With reference to your No. 4856 dated 8th current, I have the honour to inform you that the superintendent of Post offices writes to say that the old Taluq cutchery building at Tirupatur is not wanted for the Post and Telegraph Office as it is too large.

In a portion of this building the Sub Registrar's Office has been located and the District Registrar complains of its unsuitableness and requests that the old Head assistant Collector's office may be made over to that Department for the Sub Registrar's Office as it is found suitable.
