GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated 25th November 1895, No. 521.

I have the honour to state that, on receipt of G.O., No. 1930, Judicial, dated the 14th September 1895, I called upon the Superintendent, Lunatic Asylum, Madras, to submit an estimate with a view to carry out the work departmentally if he could get a satisfactory contractor to take it up.

2. I enclose an estimate for Rs. 2,024–12–11 submitted by him. The Public Works Department estimate amounted to Rs. 5,166, but it provided for expenditure on wood-oiling, white-washing, &c., which two items are not included in the present estimate.

3. I submit the estimate as received, as neither the Superintendent nor myself have the slightest means of checking it. I would therefore propose that it may be referred to the Consulting Architect for check and report before it is accepted, and that I may be permitted, in all such cases in future, to obtain the opinion of that officer before submitting my recommendations to Government.

4. I further request that, in the event of the estimate being approved by Government, the Consulting Architect may be instructed to depute a subordinate officer of his department to supervise the work during its progress and to report through the Consulting Architect that the work has been completed in accordance with the estimate, as the Superintendent reports, and I agree with him, that he has neither the time nor the knowledge to undertake the supervision of such works.

The Surgeon-General is requested to retransmit to Government the estimates returned with G.O., No. 1930, dated 14th September 1895.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated 25th November 1895, No. 521.

I have the honour to state that, on receipt of G.O., No. 1930, Judicial, dated the 14th September 1895, I called upon the Superintendent, Lunatic Asylum, Madras, to submit an estimate with a view to carry out the work departmentally if he could get a satisfactory contractor to take it up.

2. I enclose an estimate for Rs. 2,024–12–11 submitted by him. The Public Works Department estimate amounted to Rs. 5,166, but it provided for expenditure on wood-oiling, white-washing, &c., which two items are not included in the present estimate.

3. I submit the estimate as received, as neither the Superintendent nor myself have the slightest means of checking it. I would therefore propose that it may be referred to the Consulting Architect for check and report before it is accepted, and that I may be permitted, in all such cases in future, to obtain the opinion of that officer before submitting my recommendations to Government.

4. I further request that, in the event of the estimate being approved by Government, the Consulting Architect may be instructed to depute a subordinate officer of his department to supervise the work during its progress and to report through the Consulting Architect that the work has been completed in accordance with the estimate, as the Superintendent reports, and I agree with him, that he has neither the time nor the knowledge to undertake the supervision of such works.

MEMO. No. 2921.

The Surgeon-General is requested to retransmit to Government the estimates returned with G.O., No. 1930, dated 14th September 1895.
