its enclosure -

Sir,

In reply to your letters Nos. 405 M and 406 M dated the
20th ultimo, I have the honour to state that so long ago as 19.3.95,
Mr. Stuart passed orders that the building might be sold in
auction and that the land might "be given over on application for
the temple after the other arrangements have all been carried out".
The building is not required either for the Revenue or the Local
Fund Department. The petition of V. Paradai Chetti asks for
the carrying out of Mr. Stuart's orders. The land is small in extent
being $\frac{1}{4}$ cents, and may be made over to the temple after the
materials are sold.

No 401 S.E d/21st May 1896

From J. S. Wilson Esquire
Executive Engineer South Arcot Division
To the Supg. Engineer, V Circle.

Sir,
The old Police Station House at Pauruti (No. 8 in the register of Public Buildings) occupied by the Police Department was taken over by this Department on the 10th March 1896 at the request of the Supt. of Police contained in his letter No. 296 of 1896 d/19th February 1896 (copy enclosed). In reply to a reference made regarding this vacant building, the Collector states in his letter No. 361 of 1896 d/4th May 1896 (copy enclosed) that it is not required either for the Revenue or the Local Fund Department.

2. I have therefore the honour to request that under para 20 Chapter I Volume I of the Code, sanction may be obtained for its disposal, as suggested by the Collector in his number quoted above, i.e. sale of its materials in auction and handing over of the site to the temple.
