

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Surgeon General, Madras, dated 7th. November 1895, No. 494, requesting necessary orders be issued to the Public Works Department for the preparation of an estimate for constructing drains near the Native attendants' lines in the Lunatic Asylum Madras.

-----O-----
O R D E R, 360, dated 22nd. February 1896

The Surgeon General will be requested to report at an early date whether the site of the drain in the street between the attendant's lines and the Asylum is Taluk Board or Government or Municipal property. A perusal of the map would appear to show that it belongs to the Municipality and that the construction of the drain is therefore a work which the Municipal Commissioners should be called upon to carry out.

Judicial Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O. No. 360, dt 22nd February 1896.

Read the following paper:—

From the Surgeon General, Madras, dated 15th May 1896, No. Tour/57:—

With reference to G.O.No. 360 Judicial, dated the 22nd February 1896, I had to refer the question as to whether the site of the drain ⁱⁿ in the street between the attendants' lines and the Asylum was Municipal property to the President of the Municipal Commission~~er~~ through the Superintendent of the Asylum; he states that the road referred to is within Municipal limits but that the servants' quarters from which the drainage comes are outside the limits and therefore are not ^a taxed.

2. Under these circumstances I do not think the Municipal Commissioners can be called upon to make the drain but their permission should be obtained to construct it on the road which is in their charge.

*****O*****

O R D E R, No. 883, dated 19th May 1896.

In the circumstances stated the Public Works Department will be requested to issue the necessary instructions for the preparation of plans and estimates for the work in question.
