With reference to G.O. No. 1954, W
dated 7th August 1895, I have the honour to bring
to notice that the outlay during 1895-96 on 8
Estimates sanctioned by me in connection with
with "Minor additions re to the Sea Customs
House & connected buildings Madras" amounts
in the aggregate to Rs 2387/ which has been
met from the Minor works grant allotted to
this Division, but as the amount of the
Estimates exceeds Rs 2500/ it now becomes
a Major work and as such the grant
should be provided by the Government.

2. The official year having expired
and as is too late to make any re-appropriation
from "Minor" to "Major", I request you will

Sir,

Enclosures.

With reference to your memo-
randum No. 269 W dated 29 May 1896, I have
the honour to state that the case is precisely
similar to the one disposed of in G.O.
No. 1430 W dated 5th May 1896, with the difference
that while in the latter both the estimate
& the outlay exceeded Rs 2500/- in the
former, the estimate only has exceeded
Rs 2500/- the outlay during the year
being Rs 2387.

2. As under the orders in G.O. No.
1954 W dated 7th August 1895 the aggregate
of the estimates sanctioned during the
year has exceeded Rs 2500/- and the
work has become a major work in
consequence. Sanction of Government
was

was requested to authorize the Examiners
to pass the outlay against the grants for
minor works, as owing to the official year
having come to a close, it was too late to
apply for any reappropriation from
"Minor" to "Major".

I have the honour to be

Sir

Your most obedient servant.
