ORDER—No. 1805 W., dated 18th June 1896.

The papers recorded above contain applications from the Superintending Engineers, I, II, IV and VI Circles, for funds required under Excluded Local, Port Funds, for incomplete works of 1895–96, and for new works proposed to be undertaken in the current official year. The demands, details of which are given in the annexed statement, are as shown below :—

	RS.
Works	63,968
Establishment	4,940
Tools and plant	323
Total ...	69,231

2. The question of providing the amount required will be considered in the Financial Department.

3. In G.O. No. 1518 W., dated 14th May 1896, the Financial Department was asked to sanction an additional allotment of Rs. 10,000, or Rs. 12,450 inclusive of percentage charges, to form a reserve in the Public Works Department to meet unforeseen demands. The amount now applied for will therefore be a further addition to the grant under this head.

4. The statement submitted by the Superintending Engineer, VI Circle, does not show the amounts to be provided for the pier at Tuticorin, item 8 of the accompaniment, on account of establishment and tools and plant. The Superintending Engineer will furnish this information as early as possible, and on its receipt a separate application will, if necessary, be made to the Financial Department for the required amount.
