REMARKS.

The plans & estimates under re-
view, amounting to Rs. 10,080, have
been framed with reference to G.O.
No. 144 W dated 18th Jan. 1894 & pro-
vide for constructing a new Sta-
tionary Sub Magistrate's Office at
Coondapur in the South Canara
Dist.

The G.O. under reference called
for certain alterations & additions
to the existing Taluk Office at Coon-
dapur in view to provide accom-
modation for a Stationary Sub
Magistrate's Office. This requisition
is reported, was fully discussed
with the result that the Collector
of the District had finally com-
mended the plans.

1848W
Building was very essential,
as several disadvantages
would exist by locating both
the offices in one building.
Consequently the accompany-
ing plans & estimates have
been framed, based on the
type design approved in G.O.
No. 1948 W dated 6th August 95.

Provision has been made
for wooden record racks & ladder
as per design approved in G.O.
No. 802 W dated 19th March 91
& for a latrine as per design
circulated with G.O. No. 1709 W
dated 9th July 1894.

The site selected is Govt. land
& has been approved of by the
Collector of the Dist.

BOARD'S GEN. REG. NO. 1825 OF 1896
LAND REVENUE

FROM

W. H. Webb Esquire,

Collector of South Canara,

TO

THE SECRETARY TO THE COMMISSIONER OF

Land Revenue,

Madras.

Sir,

Separately.

I have the honor to submit for sanction
and provision of funds plans, estimates, etc.

- 1- Site plan

- 1- Plan of Record racks
- 1- Plan of latrine
- 1- Report
- 1- Specification
- 1- Data sheet
- 1- Estimate with general abstract.

as per margin for constructing
a Stationary Sub Magistrate's
Office at Coondapur on the
type design sanctioned for
such offices, at a cost of

Rs. 10,080.

2. It was at first proposed to provide the
accommodation required for the Stationary
Magistrate by utilizing for the Tahsildar the
space above the Treasury and allotting the
Tahsildar's Court room for the use of the
Stationary Magistrate as was done at the
Taluk Katcheri Mangalore. This proposal was
sanctioned in G. O. No. 12 Revenue, dated 8th January
1894, communicated with Board's Proceedings
No. 163, Land Revenue, dated 15th January
1894.

1896.

3. It was found from the plan received from the Sub Divisional Officer, that the alteration would involve a stair case, several new windows and an entirely new roof in addition to raising the walls, and that consequently it would by no means be an economical work; while the similar arrangement made in the case of the Mangalore Taluk Katcheri was found by experience to be most inconvenient.

4. In these circumstances it seems wiser to build a new office.

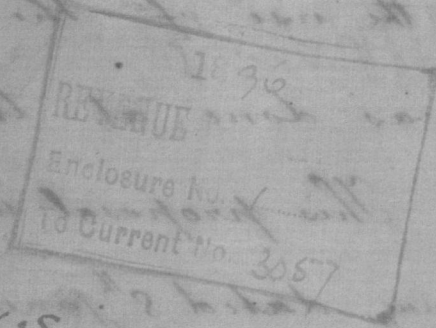

5. The type design makes no provision for a latrine, but as the Head Assistant Collector reports it desirable to have one, provision for it has been made in the Estimate.

I have the honor to be,

Sir,

Your most Obedt. Servant,

Inspector
Collector.
