Sir,

Plan. 1

With reference to your No 161 dated 14th April 1896 on G. O. No 1179 W^C 4-4-96, I have the honor to report that it is absolutely necessary to retain the strip of land situated between a bye road and the Cantonment road and marked A. B on the accompanying plan. The part A. is retained for the Post Officers quarters the plan and estimate of which will be forwarded in a few days while B. is reserved for Government buildings.

The site is so excellent that it is absurd to think of building Police Huts there. The site C. is then available for the Police lines and the proposed new ones (marked on the plan) will only occupy about $\frac{1}{3}$ of this space.

I have &c.

True Copy submitted to the Chief
Engineer D.W.D. for information with
reference to G. O. N^o 1179 d/4th April
1896. The Court officer will probably
object to having his residence so close
to Police lines.
