Letter from the Executive Engineer,
Kishna Northerm D^y. to the Supg Engr,
and Civil, dt 1st June 96, No 132 L.E. 10

In anticipation of sanction I
have handed over the Sub Jail
warders quarters of the Guntur Jail
building to the District Superintendent
of Police. These quarters are in a
ruined condition and it was suggested
by Captain Ellis to demolish them
and sell the material by auction.
Instead of doing this and as the
ground is required for the new Police
lines I have handed the building
to the District Superintendent of Police
who will use the materials avail-
able therefrom on the new Police lines.
Government will get the value of
the material by a saving on the
estimate for the new Police lines
and it will be shown in the Police
department instead of by direct
receipt from an auction sale in the
Public Works Department. As it ap-
pears to me to be immaterial in
what manner and in which
department Government gets credit
for

Transfer of old Warden's
quarters Jail to Police

initials.)

for the value of the materials, I
took the step for which I now
ask sanction.
