PUBLIC WORKS DEPARTMENT.

No. 2540 C., dated 19th August 1895.

MEMORANDUM.

READ—the following paper:—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle,
to the Chief Engineer, Public Works Department, dated 5th August 1895,
No. 183 G.L.

In reference to your memo. No. 4061 C. of 14th September 1891, I have the honour to inform you that the Inspector-General of Prisons has lately addressed a circular to me, setting forth the good quality of the belting manufactured at the Coimbatore jail, and inviting my attention to G.O. (Judicial) No. 2259 of 17th September 1894.

2. I beg to enquire if I am to obtain future supplies of peons' belting from the jail.

3. I have no fault to find with the material, &c., supplied by the Anjumani-Mufudi-Ahli Islam, and the loss of the custom of the Public Works Department will be a serious blow to that institution.

The Chief Engineer has the honour to state that, under the orders of Government quoted by the Superintending Engineer, the material for peons' belts must now be obtained from the Jail Department.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.
