Buildings

Certain — in the Consulting Architect's division which have been transferred to the Municipality, ordered to be removed from the registers of the Public Works Department.

No. 2788, Judicial, 1st December 1880.

Read—the following paper:—

From the Inspector-General of Police, dated 18th November 1880, No. 7890.

I have the honour to submit, for the orders of Government, two letters from Colonel Swanston, Acting Commissioner of Police, Madras, asking permission to sell by auction or demolish certain tannahs, or buildings for police outposts, which are no longer required (the police being concentrated in larger stations), and the repair of which would be a useless expense.

2. It appears, on reference, that the Municipality will take over six of these buildings. That at St. Mary's cemetery certainly should not be sold, but demolished; for it stands on Government ground on an open corner of the Island and no private person should be permitted to squat there. The rest might be sold by auction, or demolished if unbought.

Order—No. 2788, Judicial, dated 1st December 1880.

The proposals made in paragraph 2 as to the disposal of certain abandoned Police tannahs are approved.

2. The sales should be by public auction, after due advertisement and notice.

Civil Works.

READ—the following paper:—

From Lieutenant-Colonel C. C. RAWSON, R.E., in charge Consulting Architect division, to the Chief Engineer, Public Works Department, dated Chepâk, 29th May 1896, No. 937.

In the register of public buildings maintained in this office, the following buildings are shown to be in the occupation of the Madras Municipality, free of rent:—

(1) Mint Gate tannah.
(2) Monegar Choultry tannah.
(3) Jam Bazaar tannah.
(4) Club House tannah.
(5) Harris Bridge tannah.

2. In reply to a reference made to the President, Madras Municipality, enquiring the circumstances and authority under which the above buildings came to be occupied by the Municipality free of rent, the Municipal Engineer has forwarded copy of letter No. 707 (copy attached), dated 18th instant, from the Commissioner of Police, from which it would appear that these buildings, together with another known as "Cunnatha Covil tannah," were transferred to the Municipality under orders contained in G.O., Judicial Department, No. 2788, dated 1st December 1880. A copy of the above Government Order is not available on my records, and I would request orders as to whether the arrangements now in force under which the buildings are in the occupation of the Municipality free of rent should continue, or whether they should be charged rent under the Rent rules.

ENCLOSURE.

Copy of a communication from A. P. AGAR, Esq., Acting Commissioner of Police, Madras, to the Engineer, Municipal Commission, Madras, dated 18th May 1896, No. 707.

With reference to your letter No. 163 P.W., dated 2nd May 1896, I have the honour to state that, owing to a reduction in the number of tannahs for the Madras city, some of these buildings were not required for Police Department. Government was informed of the same and was requested to sell them by public auction or demolish them. But in the meanwhile, it was ascertained from the Municipality that they would take charge of a certain number of these buildings, and Government was so informed. Government accordingly in their order No. 2788, Judicial, dated 1st December 1880, ordered the transfer of such of these buildings as were required by the Municipality (as per margin) and the sale of the rest of the buildings, and the demolition of those that could not be sold.

(1) Mint Gate tannah.
(2) Monegar Choultry tannah.
(3) Jam Bazaar tannah.
(4) Club House tannah.
(5) Harris Bridge tannah.
(6) Cunnatha Covil tannah.

Order—No. 1884 W., dated 24th June 1896.

The five buildings in question having been transferred to the Municipality by G.O. No. 2788, Judicial, dated 1st December 1880, they should be removed from the registers of the Public Works Department.
