The Lieutenant-General COMMANDING the FORCES, Madras.

To

The Chief Secretary to the Government of Madras.

SIR,

I have the honor to bring to notice that,

in consequence of the removal of the Retail stores from the Beach to the rooms below the Office of the Chief Comst. Officer Madrs District in Fort St. George, the connection by Telephone at present existing between these buildings will not be any longer required.

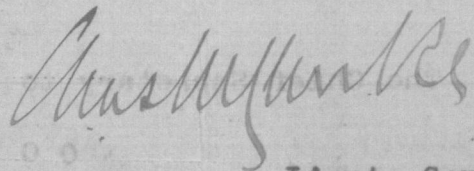

2. The desirability of removing the Telephone from the former building to the Transport lines at Pudupett has been strongly urged, and as it would be a great convenience and would facilitate work and lessen orderly duties if the Chief Comst. Officer were placed in Telephonic communication with the Comst. Subordinates at the Transport lines, I request that Government will be pleased to sanction the connection being carried out by the Telegraph Authorities.

3. The initial cost of this proposal would be Rs. 20/- and there would be an annual recurring charge of Rs. 60/- as at present.

I have the honor to be,

Sir,

Your most obedient servant,

Lieut. General.

Commanding the Forces Madras.
