OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, the 8th June 1896.

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR,

I have the honour, at the instance of the Superintendent, Govt. Maternity Hospital, to solicit the sanction of Government to erect, at an approximate cost of Rs.2706/-, certain covered ways in the hospital to connect the Matron's & Nurses' home with the main building, and the hospital & the Steward's office with the same.

2. In making the requisition, the Superintendent writes, and I agree with him, -that the erection of these covered ways will supply a long-felt want. During the rains, the Nurses are liable to get wet through in going from the wards to their meals, and the food of the patients has to be carried over under umbrellas. In very hot weather they will be a protection from the sun & will also conduce to keeping the compound in a more tidy condition.

3. In regard to the money required to meet the expenditure, I may mention that a sum of over Rs.4000/- is said to be available as the alterations to certain covered ways in the Institution costing over Rs.3000/- have been dispensed with on the representation of the Superintendent- Vide G.O., No. 527, Public, dated 11th May 1896; and also item No.156 "Relaying the floors of the Caste Wards &c." of the hospital at a cost of Rs 1000/- has been expunged from the final issue of the P.W.Budget for 1896-97, as it was not considered necessary to carry out the work during the year - Vide G.O., R.No.461, Public, dated 20th April 1896. I would suggest that a portion of

of this sum; viz, Rs.4000/- , might well be expended in the erection of the covered ways now proposed which are not only much required, but will also be a great improvement to the hospital.

4. Should Government be pleased to approve of and sanction the proposal, I beg that the Government Architect may be requested to prepare the necessary plans and estimates.

I have the honour to be,

Sir,

Your most obedient Servant,

C. L. D. M. S.

Surgeon-Major-General,

Surgeon-General with the Govt of Madras.

The question of money is for the Govt. I have all the money I want. I have much more during the year. BS
