PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, Land Revenue, No. 1951 M.S., dated 29th April 1896, & on letter from the Collector of Godavari, Ref. No. 5803 of 95 Ver., dated 14th April 1896:—

Resolution:—

The plan and estimate amounting to Rs. 2840 for the improvements to the Taluk Cutchery at Ramachandrapuram are submitted for the sanction of Government.

2. It is to be feared that even with the proposed improvements the accommodation will be inadequate; for instance the Tahsildar's and Stationary Submagistrate's rooms will be small and there will be no Court-room.

ORDER thereon, Mis. No. 2159 d/ 4th June 1896.

The Government agrees with the Board of Revenue in considering that, even with the proposed improvements, the accommodation in the present building will be inadequate. The plan received with the paper read above shows that the Head Accountant has no separate room for himself, that the treasury is located in a small room measuring 12-6" x 6', and that the Tahsildar and the Stationary Submagistrate have each only one room of 14' 14". On the whole, the Government is of opinion that the building itself is unfit to serve as the office of the Tahsildar and the Stationary Submagistrate of such an important taluk as Ramachandrapuram; and it doubts if it can possibly be so altered as to render the accommodation in accord with that of a first-class taluk cutchery ^{of the} revised type design. In these circumstances, the Board of Revenue will be requested to report whether the construction of a new building is not necessary.

READ—the following papers:—

G.O., Mis. No. 2174, Revenue, dated 5th June 1896.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 2260, dated 16th May 1896:—

Read—the following letter from W. J. H. LE FANU, Esq., Collector of Salem, to the Secretary to the Commissioners of Land Revenue, dated 30th April 1896, No. 2091:—

With reference to the correspondence which ended with Board's Proceedings, No. 516, Land Revenue, dated 31st January 1896, and my letter No. 1373, dated 16th March last, I have the honour to submit herewith the plans and estimate, as per margin, amounting to Rs. 9,300, received from the Superintending Engineer, IV Circle, for constructing an office for the Deputy Tahsildar and Stationary Sub-Magistrate, Namakkal, and to request that they may be submitted to Government for sanction and for allotment of funds.

Resolution—Mis. No. 2260, dated 16th May 1896.

The site plan and estimate, amounting to Rs. 9,300, for constructing a Stationary Sub-Magistrate's office at Namakkal are submitted for the sanction of Government, with reference to Mis. G.O., No. 352, Revenue, dated 27th January 1896, and R. G.O., No. 908, Revenue, dated 29th April 1896.

2. The estimate includes a provision of Rs. 1,420 for a compound wall. The Collector is requested to state whether a wire fence may not be substituted for the wall.

Order—Mis. No. 2174, Revenue, dated 5th June 1896.

The plan and estimate for constructing a Stationary Sub-Magistrate's office at Namakkal are approved and will be transferred to the Public Works Department for sanction.

2. Orders will be passed on the question of the construction of a compound wall on receipt of the Collector's report called for in paragraph 2 of the Board's Proceedings.

(True Extract.)

Note by the Chief Engineer, Public Works Department.

The undersigned has the honour to observe that, though the estimate prescribes 18 inches as the distance apart for the rafters, they are shown in the drawing as being spaced from each other by 2 feet 6 inches which is correct for Mangalore tiles. But if it is intended to substitute flat and pan tiles, the advantage of which seems doubtful, the 18 inches distance should also be shown in the plan, which, moreover, should be signed by the Collector before the work is put into execution.

2. It having been decided under G.O., Mis. No. 2174, dated 5th June 1893, to defer passing orders on the question of the compound wall till receipt of the Collector's report called for by the Revenue Board, the item provided for the same is eliminated from this estimate. The estimate, as thus reduced, amounting to Rs. 7,800, is recommended for sanction.

26th June 1896.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Chief Engineer, P.W.D.

ORDER—No. 1908 W., dated 1st July 1896.

The estimate, amounting to Rs. 7,880, as altered by the Chief Engineer, Public Works Department, for constructing a Stationary Sub-Magistrate's office at Namakkal in the Salem district, is sanctioned.

2. Attention is drawn to the Chief Engineer's note recorded above.
3. There is an allotment of Rs. 5,000 for the work in the current year's budget, which will, if necessary, be augmented on application.
4. This sanction has been registered as Provincial No. 33 W. of 1896-97, and classified as Civil Buildings—Original Works.

by O. S. 5 June 1896 No. 2174*
Read the following Proceedings of the
Board of Revenue, Land Revenue, No. 2260 Mis., dated 16th May
1896, on letter from the Collector of Salem No. 2091 dated
30th April 1896:-----
Resolution:----- *date 16 May 1896, No. 2266*

The site plan and estimate amounting
to Rs. 9300 for constructing a Stationary Submagistrate's office
at Namakkal are submitted for the sanction of Government with
reference to Mis. G. O. No. 352 Rev., dated 27th January 1896
and R. G. O. No. 908 Rev., dated 29th April 1896.
The estimate includes a provision of Rs. 1420
for a compound wall. The Collector is requested to state whe-
ther a wire fence may not be substituted for the wall.

Order thereon, No. 2174 Mis., d/ 5th June 1896.

The plan and estimate for constructing a
Stationary Submagistrate's office at Namakkal are approved and
will be transferred to the Public Works Department for sanc-
tion.

Orders will be passed on the question of the
construction of a compound wall on receipt of the Collector's
report called for in para 2 of the Board's Proceedings.

NOTE BY TECHNICAL SECTION.
Name of Work Constructing a Stationary Sub-magistrate's office at Namakkal.
Amount of Estimate, Rs. 9,300.

PARTICULARS OF ESTIMATE.	
Main Building <u>Office</u>	Rs. <u>7,880</u>
<u>Compound wall</u>	<u>1,420</u>
<u>Subsidiary Buildings</u>	"
Contingencies <u>5% (Rs 469)</u>	"
Petty Supervision <u>2 1/2% (Rs 230)</u>	"
Land compensation	"
Total Rupees ...	<u>9,300.</u>

PARTICULARS OF CONSTRUCTION.
Surface soil is stated to be earth to a depth of 4 feet.
Sub soil is fine sand & hard gravel below.
Foundations are proposed to be laid to a depth of 4 feet. The lower 3 1/2 feet to be of concrete & the upper 6 inches to be built of brick in chunnam.
Basement is to be raised 2 feet and built of brick in chunnam.
Walls are to be raised as per heights noted on the type design & built of brick in chunnam with arches over doors & windows.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Proceedings of Govt. in the Revenue Dept. No. 2174, dated 5th June 1896.
Note by the Chief Engineer P.W.D.

The estimate, amounting to Rs 7,000, as altered by the Chief Engineer P.W.D. for constructing a stationary Sub-Registrar's office at Namakkal in the Salem District, is sanctioned. ^{2. Attention is drawn to the Chief Engineer's note accompanying above.}
23 There is an allotment of Rs 5,000 for the work in the current year's budget which will, if necessary, be augmented on application.

24 This sanction has been registered as Provincial No. of 1896-97 and classified as Civil Buildings, Original Work.

" Revenue Deptt.
(40-1,000-2-11-95)

CKTAS
26/6/96

Plastering or Pointing The interior & exterior surfaces of walls are to be plastered with 2 coats of chunnam.
Flooring is to be of burnt stone slabs over a bed of concrete 4" in thickness & the surface finished with cement.
Roofing is to be tiled with flat & pan tiles laid over teak rafters, rafters to be complete including chunnam bands.
Doors and Windows are to be of teakwood of the descriptions noted in the estimate & painted with 2 coats of chocolate paint.
Roof timbers are to be of teakwood & painted with 2 coats of fine white paint.
Scantlings are correct.
Rates are fair.

The plinth area of the main building is 3373 square feet, and the cost per square foot will be Rs. 2.03.2.

The plans and estimates have been countersigned by the Collector of the District and approved in the Revenue Department with the remark that orders will be passed on the construction of a compound wall on receipt of the Collector's report.

Remarks

The plan & estimate under review, amounting to Rs 9,300, have been framed with reference to G.O. No. 1954 dated 17th January 1896 & provide for constructing a Stationary Sub-Registrar's office at Namakkal in the Salem District.

The design has been based on the type design circulated with G.O. No. 1948 dated 6th August 1895 for tiled roofing.

Provision has been made for constructing a compound wall on three sides of the proposed building.

Building for a length of 52.9 feet after removing the existing wall between the sub-jail & the proposed building.

The site selected is to the east of the existing Sub-jail in the compound of the Hospital.

The height of the proposed Compound wall including coping is 7 feet, which appears to be unnecessarily high, & as the Govt. in the Rev. Dept. remarks that orders will be passed on the compound wall after the receipt of the Collector's report, this amount for the Compound wall, viz, Rs 1420, may be omitted & sanction accorded for Rs 7,880 only.

The tracing plan is very misleading, the rafters are shown to be 2 1/2 feet apart whereas the estimate provides for a distance of 18 inches, only flat & pan tiles being used in lieu of Mangalore tiles.

On an order of the P.W. Deptt. dated 19.11.96 intd - A ch. is not to be added if considered desirable. C. S. 10/96
