PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From The Inspector General of Police, Madras, dated 15th May 1896, No 2000:—

I have the honour to state that the Reserve Inspector in Tanjore complains that he cannot find accommodation for himself and family, except in a native house, which is unhealthy and quite unsuitable for an European. The Superintendent reports that it is true that it is impossible in Tanjore town to secure accommodation for the Reserve Inspector, who requires something better than an ordinary native house.

2. The Superintendent reports that there is a suitable site available near the Police lines in the town for the quarters of a Reserve Inspector, and I therefore request the sanction of Government for the acquisition of the site and the construction of a house for this officer. It is, in my opinion, of considerable importance that the Reserve Inspector should have accommodation found for him as near the Reserve lines as possible.

ORDER:—No 979, dated 8th June 1896.

The Inspector General's proposal is approved and the necessary orders for the preparation of plans and estimates will be issued in the Public Works Department.
