Simla, the 19th June 1896.

Sir,

I am directed to acknowledge the receipt of your letter No. 834 W., dated the 7th March 1896, recommending that sanction may be accorded to a remission of rent to the amount of Rs. 70, being a portion of the rent recoverable from Mr. Garrett, Superintending Engineer, 1st Circle, Madras, for one month, viz. from the 15th December 1895 to the 14th January 1896, for a Government building at Dowlaishweram occupied by him.

The grounds on which the remission in question is recommended are that the change of Head Quarters was made in the Public interest and that Mr. Garrett, in order to secure a house for his residence at Waltair, which would otherwise have been let to another person, was obliged to take it at Rs. 70 per mensem from the 15th December 1895, while the arrangements for the transfer of his office from Dowlaishweram to Waltair could not be completed before the 15th January 1896. He was thus put to extra expense on account of house rent to the amount of Rs. 70/-.

2. In reply, I am to say that, under the circumstances, the Government of India are pleased to sanction the remission
