

Public Works (1896) Department.

G.O., No. 19442

DATED 2 July 1896

[Despatch Abstract.]

Supply of Lime from the Govern-
ment Kilns.
Orders declining to auction the
to Messrs Poran and Brauer

No 1944 W, d, 2nd July 1896.

READ the following:—

From the Consulting Architect to the Government of Madras, No. 1405

dated 18th June 1896.

FOR ORDERS.

Proposed to inform the Consulting Architect that his recommendation is contrary to the terms of G.O.No.471 W, dated 1st March 1880, and cannot be sanctioned.

There have been several petitions from lime manufacturers at Madras as regards the alleged injury to their interests caused by the maintenance of the Govt:Lime Kilns, and these people would now have a substantial grievance, if applications such as those of Messrs.Branson and Branson be sanctioned.

Office of the Consulting Architect to Govt.,
Chepauk, Madras,
18th June 1896.

From

Lt. Colonel C. B. Rawson M

Consulting Architect
to the Government of Madras.

To

The Chief Engineer
Public Works Department

Sir,

Enclosures.

Messrs Branson & Branson
have applied to me for 2000 parabs of slaked
lime "as there is great difficulty in pro-
curing the same in the local market &
further, that the lime in the market is
slaked with salt water"

2. The Sub-Divisional Officer in
charge of Government Brick & lime kilns
states that the lime can be issued without
interfering with Government works & I
have therefore the honour to recommend
the supply, subject to the usual conditions
as regards rates on the District understanding
that it be made without dislocation
of Government requirements.

J

I have the honour to be

Sir

Your most obedient servant.
