Ryot's shed in the Fort at Tellicherry
The expenditure incurred in
Converting a portion of the
into a Public Works Inspection
Shed Sanctioned.

BACK PAPERS.

FURTHER PAPERS.

N^o 275 S.E. Executive Engineer's office
West Coast Division
Calicut, 13th June 1896

From

G. O. Carless Esq.,
Executive Engineer,
West Coast Division,

J

The Superintending Engineer
Fourth Circle,
Coimbatore

Sir,

With reference to your no. 265, dated 5th
June 1896, I have the honor to report that the
Ryptished Tellicherry was originally the work-
shop of the then District Jail Tellicherry (Tellicherry
Jail)

2. It was subsequently used as Pyot-shed
of the Sub-Collector's office in the fort.

3. The building was not kept in repair by the Revenue Department as a Byot-shed. It had partly fallen down and the remaining portion of the decayed roof was so dangerous to people taking shelter under it, that it was demolished under the sanction conveyed in

G.O

G.O. No. 2080 W. dated 20th August 1895.

4. The old Sub-Collector's office at Tellicherry which was vacant was used as an Inspection shed by the P.W. Subordinates.

5. In August 1895 this building was made over to the Revenue Department for use as the Settlement-officer's office.

6. The Traveller's Bungalow at Tellicherry is generally occupied by travellers and planters from Coorg and Wynad, the rent being also Rs 1-6-0 per day including accommodation for horse and bullocks. It (Bungalow) is not accessible to P.W. Subordinates.

7. There being always works at Tellicherry as also at Periah and Manautoddy (Wynad) through Tellicherry, some accommodation for Subordinates was found very necessary.

8. The old materials of the Dept. Shed were therefore utilised to convert a portion of the Shed into an Inspection shed at Tellicherry.

The old Sub-Collector's office (now settlement office) is the proposed site for the new Sub-Collector's office under contemplation.

This

This will necessitate the building (settlement office) being demolished.

I have the

Signature of G. P. Carless

Executive Engineer

Ryoto's Shed in the Fort
of Tellicherry.

In the circumstances
stated, the expenditure
of Rs 110 incurred in
converting a portion of the
ryoto's shed in the Fort at
Tellicherry into a Public
Works inspection shed and
in demolishing the
remaining portion of the
building, is sanctioned.
