tion of Dini Island

Letter from the Executive Engineer
Rangoon Harbour to the Supg Engineer,
dated 11th May 1896 No. 153.

I have the honour to report that
I have Subject before me for
appointment of Phavon Sing
Retired Draftsman as a temporary
Surveyor on Rangoon Harbour
on the investigation of the Dini
Islands pumping project. Phavon
Sing retired after a service of
22 years on an invalid's pension
of Rs. 25-3-0 per month in
accordance with para 577 of Civil
Service Regulations the sanction
of the local government appears
to be necessary to enable him to
draw the pay of the temporary
appointment now given him without
loss of pension and I have therefore
the honour to request that such
sanction may be obtained as
the appointment is not likely
to last more than a few months.

Chief Engineer for investigation for
favour of obtaining the sanction
of Government. The man is
employed on the Dini investigation.
