From Major F. W. Romilly, D.S.O.
THE MILITARY SECRETARY TO

HIS EXCELLENCY THE GOVERNOR,

To

The Secretary to Government
Public Works Department
Stonehouse Hill

SIR,

I have the honour to forward for sanction plans and estimates the latter amounting to Rs. 25,207/- for constructing quarters for servants at Government House Quindry, with separate latrine accommodation for men and females.

His Excellency the Governor approves of the plans and estimates, but as he understands there are not sufficient funds in hand to carry out the whole of the work this year, he desires that half of it may be proceeded with at once, and that the other half stand over till next year.

I am to request that the two blocks of 20 quarters each as per drawing No. 1 may first be undertaken.

I have the honour to be,

Sir,

Your most obedient Servant,

F. Romilly Major,

Military Secretary.

It is not considered desirable
to put in the concrete flush with
the superincumbent masonry. It should
be at least 1'-6" broader, i.e. 9
inches on each side. The necessary
alterations have been made in red
ink. This will raise the estimate to
Rs. 26,040.

(H.E. No. W, dated June 1896)
To
The Secretary to the
Government of India,
P.W. Department.

Sir,

With reference to para 10, Chapter VI, Vol. II, P.W. Code, I am directed to submit, for the sanction of the Government of India, an estimate amounting

mounting to Rs. 26,040 for construct-
g quarters for servants at Govern-
ment House, Guindy.

2. The existing servants quarters
are very inadequate, and when H.E.
the Governor is in residence at --
Guindy, a large number of servants
who live in bazaars all over Madras,
are compelled to proceed daily a
long distance to and from Govern-
ment House, which is not only a --
great hardship on the servants, but
objectionable on sanitary grounds.
The question of providing addition-
al servants' quarters is therefore
a question of urgency, and as it is
desirable that they should be con-
structed before His Excellency re-
turns to the plains, the prosecu-
tion of the work in anticipation
of the sanction of the Government
of India has been authorised.

3. I am to add that it is proposed
in the current official year to --
carry out the work only to the --
extent of Rs. 12,120, leaving the --
balance of the estimate to be com-
pleted in 1897-98.

I have &c.
