Letter from the Examiner
P.W. Accounts Madras to the
Executive Engineer District North
Division No. 1008 $\frac{D}{25}$ of 10-4-1899

In reply to your No. 25 M
of 4th instant, I have the honor
to state that the universal
practice is to grant Letters of
Credit to Executive Engineers
on treasuries within their
Divisions where the bulk of
their expenditure is incurred
and this is what is contemplated
by Code Rules. That the Code
Rules do not contemplate
Credits being granted beyond
an Officer's jurisdiction is char-
acterized from the fact that in the case
of the Periyar Division, the
sanction of the Government of
India was necessary for a
Credit beyond the jurisdiction
of that Division.

only within an officer's jurisdiction. On the other hand, paragraphs 23 and 24 of Chap III contemplate the grant of credit even outside the limits of the Residence. It's ^{long} ~~large~~ as if simplification matters there is no reason why the Examiner should refuse to grant credit if an amount is in the Province. Para 18 of Chap III lays down the points requiring the Examiner's attention in granting credit; that credit should not be granted, beyond jurisdiction is not one of the points.

As to the grant of the credit will save a good deal of clerical labor and delay in making payments. I have the honor to request that you will take the necessary steps for the removal of the Examiner's objection.

I have the honor to be,
Sir,
Very truly,
Yours obedient servant

are special reasons for the particular
Division should be made. The Division
of Marine is a Division of the
Agency Town and is connected to the
ordinary procedure followed by all other
Divisions, it would save trouble to ask the
Government of India to sanction the
one-rupee letter of credit for Marine.
