Enclosures

Sir, I have the honor to bring to your notice that the balance at debit of stock at end of May exceeded the reserve limit by Rs 1254, chiefly owing to no allowance having been made for the balance at debit of "Land and Kilns" in applying for the increase of reserve from Rs 6000 to Rs 8500. See please Mr. Paul's letter No 401 S of 14. 11. 94 printed with G. O. No 1011 S of 15. 12. 94. So to bring the cost of constructing line shed No 2 at 14th 1/2 mile (G. O. No 156 S of 28. 4. 96) being adjusted in 3 years hence, I would suggest that the reserve limit of stock including "Manufacture" and "Land and Kilns" be increased from Rs 8500 to Rs 10,000.
