The humble petition of the Ron K. Koran
attached to the Tirnad Sub-division.

Respected Sir,

The petitioner begs to bring the following grievances for your honors benevolent Consideration.

The petitioner respectfully begs to state that the first application for the increase of pay was made by him about the beginning of November 1894 when orders were received to change the Head Quarters to Vayitri. Sanction of the Government of India for the increased rate of pay was received only in September 1895. On the interest he has several times solicited the Executive Engineer concerning his said circumstances to which he received encouraging replies that he would get the increased rate of pay from the date of joining Tirnad. It is now indeed very sad to learn that the increased rate of pay is to be allowed only from the date of Govt of India letter 23-9-95.

The petitioner therefore humbly looks up to your Honor as his sole resource and begs that your Honor will kindly place the matter before the Government for consideration so that he may be allowed to draw the increased rate of pay from the date of Joining Tirnad

Forwarded to the S.E. IV Circle for the favourable consideration of Govt. In GO No. 2454 W d/5/10/95 the Govt of India sanctioned to a local allowance of Rs 3 per mensem to persons on the permanent establishment of the P.W.D stationed in the Wynaad was communicated, and in GO No 3134 W d/5/12/95 it was decided that the above order has effect from the date of the Govt of India sanctions not from the date of the change of the headquarters of the Canmanoor Sub Div to Wynaad in December 94 - It seems hard that I should have declined to give not appointing to the order in the case of permanent persons seeing that the temporary establishment for the Wynaad Sanatorium GO No. 1032 W d/1/5/95 were allowed to draw the increased rate of pay from 1st April 95.
