jail.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Honorable General of Engineers, Madras, dated 1st June 1897, No. 1745.

For the sinking water wells in the
 Government General Jail, in the Collingwood, the Assistant Engineer,
 Madras, who is in charge, was asked to submit the estimates for their
 repair, and in April 1896 he furnished an estimate amounting to Rs. 1,470. For repairing one of the
 wells. From a letter No. 1745, dated 16th May 1896, of
 which a copy is enclosed, it will be seen that it is proposed
 to still further repair the well and that the Assistant Engineer
 has already prepared to prepare estimates for sinking one, or
 two, new wells in the place of those which have collapsed. The
 copy of this correspondence was, therefore, forwarded to the
 Superintendent Engineer and he has already requested that
 the sanction of Government may be obtained, with reference to
 S.O. No. 1745, dated 7th October 1896. I have accordingly
 the honour to request that the Government may be pleased to
 sanction the expenditure by the Public Works Department for
 the sinking two wells in place of those which have
 collapsed. The well is in the Collingwood, and it is found that
 the water level is very low, and the well will not
 yield water.
