PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of the Board of Public Works (Madras) No. 2463 Mis., d/20th
May 1896.

The estimate amounting to Rs.
17,440, for constructing a Sub-Col-
lector's office at Tellicherry in
the Malabar District, has been
referred to Rs. 17,440 owing to chari-
table works in the item of wood work.
The estimate as thus reduced is
sanctioned, and a sum of Rs. 10,000
is appropriated for the work from
the Provincial Reserve.
2. This sanction has been re-
corded in Provincial No. 2067 W of

The Sub-Collector at Tellicherry
is directed to proceed with the work.

For the Secretary to Government,

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Proceedings of the Board of Revenue (Land Revenue) No. 2480 Misc. 299
May 1896.

The estimate amounting to Rs 17,480 for constructing a Sub-Collector's office at Tellicherry in the Malabar District has been reduced to Rs 17,440 owing to clerical errors in the item of wood work. The estimate as thus reduced is sanctioned, and a sum of Rs 5,000 is appropriated for the work from the Provincial Treasury.

2. This sanction has been registered as Provincial Order No. 1075 of 1896.

Note. A provision of Rs 80,000,
out of a Provincial Reserve of
Rs 47,74, for Government houses
and extension of drains near
the Fort seems an unduly
large proportion of funds
available, and ^{unf} necessarily
justified against the
construction of important
works elsewhere in the
Presidency.

(1) It will be observed from
the office copy of endorsement
No: 474 D. 2/18 June 1896 in the
linked file, that there is a proposal
to construct ryots' sheds ^{for Ryots' H. H.} at the
request of Collectors, in order
to obviate the necessity for
thatched structures and that
this proposal has been referred
to the Revenue Dept. In the
present case, the Board of Revenue
submits the estimate for the sanction
of Govt and apparently approves
the provision for ryots' sheds made
in the estimate.

(2) The Collector's letter should
have been addressed to the
Executive Engineer and is not
in the file. Kindly see para 2
of the Report wherein it is said
that provision for a latrine and
ryots' shed has been made at the
request of the Collector.

(3) It is not necessary that such
a large sum as Rs 80,000 should be
reserved at present for Govt. Houses
&c. A sum of Rs 20,000 may be held
in reserve for the present and by the time
the estimate is considered, the further
more Govt. will be in a position to

if necessary to reserve more money
which may be used for other purposes.

Classified as Civil Buildings

estimates for many of the works for which funds have been provided in the current year have not yet been sanctioned and cannot therefore be fully anticipated. It is true that more than Rs 80,000 will be required for Govt. Houses as large outlay is anticipated under repairs and there will be no difficulty in meeting these requirements as there will be large surpluses later in the year as usual.

4. The amount required has already been provided.

In the above circumstances it is submitted that the allotment of Rs 5000 proposed in the draft order may be altered to Rs. 10,000.
