J. C. Larmine, Esq.,

Supg. Engineer, 2nd Class,

To,

The Chief Engineer,

P. W. Department.

Sir,

With reference to your memorandum No. 607 D, dated 4th July 1896, transferring me for charge of the 1st Circle, I have the honor to request sanction to my assuming charge at Rajahmundry or Dowlaishwaram.

The most important works in the Circle are in the neighbourhood and I should like to spend about a month or long as may be necessary, in renewing my acquaintance with them.

To proceed first to Waltair and then to return will only involve so much extra travelling and expense and I have ascertained from Mr. de Morgan that he can conveniently hand over as proposed

proposed.

I have the honor to be,

Sir,

Your most obedt servant,

J. Clarence
Superintending Engineer.
