READ—the following papers :—

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 12th June 1896, No. 684 T.N.

It is reported that the Postal authorities have made over to this department on the 21st March 1896 the old Post office building at Sivakási, in Sáltúr taluk, Tinnevely division, removing the Post office to a private building as the accommodation provided in the Government building was considered insufficient. The building is shown as No. 3 in the register of public buildings under Imperial, in Sáltúr taluk. It has mud walls, tiled roof, concrete floor, and is valued at Rs. 300.

2. The Superintendent of Police, Tinnevely district, states that the building which is situated in the police ground and adjoins the station-house would be useful to the Police, and requests that it may be handed over permanently to his department, if not specially required for any other purpose.

3. As the building is not required by this department, I have the honour to request that the orders of Government may be obtained for the transfer of the building to the Police Department.

No. 2660 C.

Referred to the Postmaster-General for favour of information whether there is any objection to the transfer of the building to the Police Department.

From H. FARRER, Esq., Postmaster-General, Madras, to the Joint Secretary to Government, Public Works Department, dated 6th July 1896, No. B.G. 5-54/10220.
