Endorsement by the Supt. Engineer Chile No. 167 W dated 2nd July 1896 on letter from Mr. C. H. J. Norfor, Executive Engineer, Tanjore Division, No. 2580 dated 29 June 1896.

FOR ORDERS.

A note dated 16th March 1896 on this subject was sent to His Excellency for orders and was returned with the remark that the papers may be recorded. In his letter now received No. 2580 dated 29 June Mr. Norfor again requests that the censure passed on him in Co. No. 3195 W dated 13 December 1895 may be withdrawn. I thank Mr. Norfor's explanation.

writing his letter No. 1570 dated 21st August 1895, added that the procedure previously adopted in the Chile office was wrong, and that in future the budgets would be sent to the Collector in accordance with the orders of Government, the matter would have been made clear; and he would have escaped the censure conveyed in para 3 of Co. No. 3195 W dated 13th December 1895.

Sir,

I have the honor to invite
attention to my letter N^o $\frac{5014}{28.2.96}$ on 5014
 $\frac{3195.W}{13.12.95}$, and request that as the above
quoted order reflects seriously upon me,
absolutely without reason and inquiry,
it be with. drawn, as far as I am con-
-cerned.

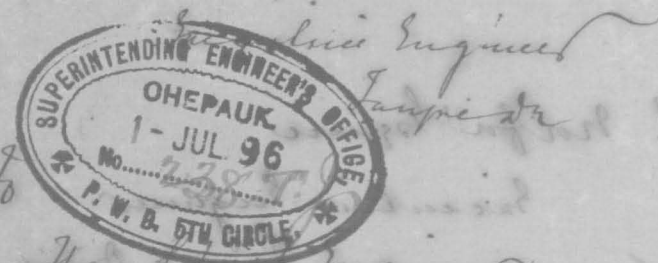

I would further draw the attention
of Government to the fact that I have
good reason for knowing that the order
to Consult Collectors in this respect had
not been attended to by other Circles
in addition to the 2nd and 3rd and make
no further comment beyond merely ex-
-pressing surprise that the Government
should have passed an order on a
letter of mine to the Collector of Kurinool,
without any reference to me on the Subject.

I have the honor to be
Sir
Yours most obediently
C. H. J.
Executive Engineer
