GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following papers :—

From the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 21st April 1896, No. 2707.

I have the honour to state, for the information and orders of Government, that the lay trustee of Gúdalúr is anxious that a mali should be allowed for the Gúdalúr cemetery attached to the church.

2. The cemetery is a small one and in the class "Under one acre" and few Europeans or Eurasians are buried in it.

3. I have the honour to request that Government will be pleased to decide whether a mali should be appointed or whether a sum should be granted each year from my budget allotment as may be required for the cleaning and upkeep.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 11th May 1896, No. 1402.

In returning herewith letter of the Venerable the Archdeacon of Madras, No. 2707, dated 21st April 1896, referred to me for remarks in your endorsement, No. 913, dated the 29th idem, I have the honour to state that there is no objection to Government sanctioning a mali-chowkidar for the Gúdalúr cemetery under Rule II of the revised Ecclesiastical rules printed in G.O., No. 141, Ecclesiastical, dated 17th July 1885, subject, however, to confirmation by the Government of India, the charge being Imperial.

2. If, however, in lieu of the entertainment of a mali, Government decides to adopt the alternative plan preferred in paragraph 3 of the Archdeacon's letter, that a sum should be granted each year as may be required for the cleaning and upkeep of the cemetery, I would point out that the charge will have to be provided for in the Public Works Department budget, as apparently contemplated by Rule 1 (b), Appendix A, to the rules quoted above.

No. 1029.

Referred to the Public Works Department for favour of remarks, with reference to paragraph 2 of the Accountant-General's letter.
