Letter from the Executive Engineer
Kistna Narmada D^y to the Super Engineer,
Civil, dt 25.2.96, No. 654 S.E.

I regret to report that it is pro-
bably that I shall be unable to
spend my full allotment Rs 30,000
on Tank Restoration Scheme Works
during the current year. The
reason for this is partly the very
large area over which the works
are scattered and partly unusually
early and continued rainfall
during the monsoon in the Palnad
Taluk.

The amount I anticipate
being unable to utilize is Rs 4,000.
but I anticipate being able to
expend this on the Minor
Project and request that a
transfer of funds as below may
be sanctioned.

From 43. Minor Works & Navigation
dripr. and Navign. works for which
neither Capital nor Rev. Accounts
are kept.

Tank Restoration Scheme Repairs.
Rs 4000

To 43. Minor Works & Navign.
works for which Capital and
Rev. Accs. are kept. -
Capital - Minor Project: Rs 4000
