PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the President, District Board, Vizagapatam, dated 26th March 1896, No.226:—

I have the honour to state that the District Board proposes to sell the present Inspection bungalow at Parvatipur and build another one in its stead at a more convenient place. The Victoria Jubilee Club at Parvatipur offered to pay a sum of Rs.500 for the building and its compound and the Board accepted it. I beg to forward a copy of the Board's resolution on the subject and request that the sanction of Government may be obtained for the transfer of property by sale to the Victoria Jubilee Club at Parvatipur.

From the same Officer, dated 5th June 1896, No.502:—

With reference to Government Memorandum No.440 dated 10 April 1896, I have the honour to state that the value of the Inspection bungalow at Parvatipur, with the well and trees in its compound, is estimated by the Local Fund Engineer to be Rs.989, according to the present data of rates in this district, exclusive of the value of the site which the Engineer thinks considerable.

2. The bungalow in question was transferred to the Local Fund Board by the Public Works Department - vide Government order No.1873, dated the 29th September 1879.

ORDER. No.1227 L.Mis., dated 8th July 1896.

The sale of the Inspection bungalow for so much less than its estimated value cannot be sanctioned. The bungalow

the site on which it stands should, therefore, be transferred to
the Public Works Department in view to their being sold separately
at public auction and the proceeds credited to Government.
