PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Commissioner of Police, Madras, dated 6th
June 1896, No. 58.

I have the honour to inform you that the quar-
ters occupied by the Superintendent, City Police, are very
warm, being much exposed to the morning and evening Sun,
which beats through the house and makes the only 2 bed rooms
therein quite uninhabitable. The Superintendent and his
family have suffered in health in consequence.

2. I solicit the sanction of Government for construc-
tion of a Verandah on the East and West side of the building
and as the cost will exceed Rs. 500/., I request that necessary
orders may be issued to the Consulting Architect to Govern-
ment to prepare the necessary plan and estimate.

O R D E R:—No. 1175, dated 14th July 1896.

The necessary orders will accordingly be issued in
the Public Works Department.

Copy of letter No. 3857 dated 16-7-96
the Executive Engineer, Bellary Division
to the Superintending Engineer, III Circle

I propose to visit Tumkur to-
morrow for the purpose of seeing the
Mysore officials and endeavour to provide
for the smooth working of the Agali Taluk
where there have been disturbances. From
there, I shall proceed to Agali (40 mi).
I request that you will obtain the sanction
of Government to the journey, as it is
out of my Division.

No. 1184 of 20-7-96

Submitted to the Chief Engineer
Public Works Department; with a request
that he will be good enough to obtain
the necessary sanction of Government
under Article 1137 of the Civil Service
Regulations. The journey is taken in
connection with the repairs of the Agali Taluk
about which there is friction with the Mysore
authorities.
